“This is a multi-clone expression of a single vineyard with a touch of Roussanne added for a floral lift. Orange blossom, lilac and heather notes were gorgeous. The aromas on the nose were earth-toned, with cherry-wood, licorice and deep, dark chocolate. Creamy and richly punctuated, the coffee-mocha-cherry effect was slurpily juicy with a tilled-soil bottom. Acidity is striking and palate cleansing, readying for the next sip which ultimately leads to violets, blueberries and sweet plums. Seriously smitten.”
