“Winemaker Philippe Melka was the hand and mind behind the wine, along with winemaker Maayan Koschitzky for this latest vintage of a wine deservedly named Legend. Rhône varietals grown on the biodynamically farmed Westwood Estate’s Annadel Gap Vineyard plus Cabernet Sauvignon sourced from Sonoma and Napa Valleys, creates a wine that is alert with Old World acidity and a lush palate. A waterfall of violets, plum and black cherry skin cascade across the palate. Tannins are enveloped by a dark chocolate sheath, tempered by white pepper. This is a California red with a French accent. Blend of 46% Cabernet Sauvignon, 25% Syrah, 19% Mourvedre and 10% Grenache.”
