“The Westwood 'Legend' is a blend of Syrah, Grenache and Mourvèdre from Sonoma. It displays a dark color with wonderful aromas of ripe dark cherries, and raspberries underlined by lavender, damp soil, leather, exotic spices, black pepper, violets, graphite and hints of crushed rock. The palate is full-bodied with beautiful velvety tannins with a rich, deeply textured mouthfeel which is backed by a racy core of ripe dark fruits and spices. It continues to impress as it shows outstanding balance and concentration through the long, plush finish. A fantastic wine on release, but also has great aging potential.”
