“This 100% Cabernet Sauvignon was sourced from Keller Yountville Vineyard on State Lane in the Yountville AVA and the Alsace Vineyard near the city of Napa. Grapes are hand-harvested at night, hand-sorted, and separated into lots, then fermented individually in stainless steel tanks and a French oak upright tank with 40% whole cluster and an average of three days cold soaking with up to 22 days on skins. Aged 26 months in 100% new French oak. It is a deep ruby colour. Fragrant dark berry fruit is laced with green tobacco, white pepper and earthy minerals. Full-bodied and framed by intensely powerful tannins that are palate-coating with a pin-point fineness. More mineral and woody notes linger on the extended finish. Just 100 cases were produced.”
