Vinification

The Annadel Gap Vineyard is a special place. Located between Mt. Hood and the Sonoma Mountains, our site is characterized by thick morning fog and strong afternoon winds. Alluvial, glacial, and sedimentary influences create a wide array of soil types. Clone 90, the Chambertin clone, was hand-harvested at night and arrived at the winery by daybreak. The fruit was hand sorted and fermented individually. 6 days cold soak, gentle punch downs 1-3 times daily, 15 days on skins & gently basket pressed. Gravity fed to French oak barrels (50% new). Aged 16 months on lees, gently fined, bottled unfiltered.

Aromatics

Raspberries, strawberries, nectarine, orange zest with fresh potpourri, cinnamon and brown sugar pie crust.

Palate

Fine grained tannins with bright acidity create an elegance and balance. Bright wild red berries and raspberry cane, rose water, hints of baking spices. Generous and wide up front on the palate, finishing with a bright burst of integrated acidity.
