Winemakers: Philippe Melka and Maayan Koschitzky

Tasting Notes:

Delicious, plump and black fruit forward. Mouth-filling in texture, the wine has heft and weight while being fantastically balanced in the finish. A crowd-pleasing, hedonistic delight that pairs the best from our Estate vineyard and our winemaking team's world-class Cabernet Sauvignon skills.

Vineyard and Winemaking:

Philippe Melka and Maayan Koschitzky, consultants to some of Napa's most highly regarded vineyards, had full control of winemaking and blending of the 2018 Legend. Like his critically acclaimed 2016 and 2017 Legend, their goal was to craft this proprietary blend, bringing together the best from our own biodynamically farmed Estate, Annadel Gap Vineyard, complimented with specially sourced organic and sustainable wines from Sonoma County and Napa Valley.

The wine was fermented in closed-top stainless steel tanks, open-top stainless steel tanks, and a French oak upright tank, with an average of 22% whole cluster pressed, 3 days cold soak and 19 days on skins. Aged in 30% new French oak for 20 months.
