pH 3.72

TA 5.28 g/L

Harvest 9/28/18

Brix 24.6

ABV 14.3%

Tasting Notes

The 2018 Sonoma County Pinot Noir is a selection of rows from our own biodynamically farmed Annadel Gap Vineyard, located in the cool Northern Sonoma Valley, along with the best parcels sourced from Terre de Promissio. The wine shows sultry aromas of lavender and crushed rose petals. Flavors are filled with strawberry, raspberry and candied orange. The mouthfeel is generous, and the finish is full and balanced with bright, seamless acidity.

Vineyard

From warm sunny days, to cooler fog covered evenings, Sonoma County's geography and climate influences each vineyard. The grapes for this Pinot Noir were selected primarily from the floor of the Sonoma Valley where unique terroir provides varied soils and ideal growing conditions.

Winemaking

Each Pinot Noir clone was hand-harvested individually at night. The fruit was hand-sorted and fermented individually separated by clone. 6 days cold soak, gentle punch downs 1-3 times daily, 14-20 days on skins and gently basket pressed. Gravity fed to French oak barrels (41% new). Aged 18 months then bottled unfiltered.

Organic. Biodynamic. Sustainable.
