ANNADEL GAP VINEYARD

400 38° 17' 30" N - 122° 27' 27" W

## 2019 WESTWOOD CHARDONNAY SANGIACOMO ROBERTS ROAD VINEYARD, SONOMA COAST

### Farming

Biodynamic, Organic,  
Sustainable

### Varietal

100% Chardonnay

### Clones

5 & 17, Roberts Road  
Blocks 12 & 18

### Cases

655

pH	3.47
TA	6.61 g/L
Harvest	9/24/19
Brix	22.7
ABV	14.4%

### Tasting Notes

The wine has aromas of lemon curd, shaved almonds, orange peel and apple blossoms. Textured and seductive on the palate, the wine has refreshing acidity.

### Vineyard

Located in the new Petaluma Gap AVA, the Sangiacomo Roberts Road Vineyard is farmed sustainably. The site produces wines that show both Burgundian richness, but with restraint and acidity unlike most other esteemed California producers. The soils are very well drained and lined with silty gravel. The AVA is bordered to the north by the Russian River appellation and San Pablo Bay to the south. The former delivers sunshine while the latter imparts wind and fog.

### Winemaking

The fruit was hand-harvested at night, then whole-cluster pressed. Barrel fermented, aged sur lie in small lots using new French oak barrels. Partial malolactic fermentation.

Organic. Biodynamic. Sustainable.
